Dearest Mr. Turner,

I wanted to take this opportunity to express my support for your position with the CIA. Your expertise and leadership will add quality to our intelligence department.

Beginning in September, I will be sponsoring a political exhibition at St. John's University in New York.

I would be most honored to display your autographed photo in my show. The theme will be "Great American Administrators". I am certain that your addition will make this a most successful event. Good luck and all of the best.

A loyal supporter,
